It is a pleasure to write a recommendation for Destiny . She has been a loyal and vital component of our team at . for the last four years. I have worked closely with Ms. w and have noticed excellent communication and leadership skills.

Ms. w has demonstrated reliability, consistency, determination and honesty during her work with my company. She is open to change and learning new skills whenever requested. The customer service industry can be difficult to work in. Ms. w has held humility, respect and positivity while interacting with all of our customers.

She is qualified and equipped to continue work in a clinical environment supporting individuals suffering from mental illness disorders. Ms. w would make a wonderful addition to your company's team.
